

Giridharan R

Karaikal
9080082351
giridharan1343@gmail.com

Skills

Electrical wiring

PLC Basic

Circuit design

Multi simulation

Auto CAD

Arduino

Matlab

Interests

Electrical Basic

Electrical safety Engineering

Power plant Engineering

Electrical vehicle Technology

Certifications

Green Energy, Clean Energy
(GREECE)
(2023)

PCB Design in Cadence Or CAD/
Allegro
(2025)

Diploma in Office Computing
(DOC)
(2017)

Hobbies

Cricket

Volleyball

Languages

Tamil

English

Summary

I am Giridharan , a passionate and dedicated Electrical and Electronics Engineering (EEE) graduation strong foundation in electrical circuits, Renewable energy source, Electrical wiring and safety Equipment technologies Eager to apply academic knowledge internal - world engineering challenges

Education

Sri Manakula Vinayagar Engineering College (2023 - 2026)
B.Tech - Electrical and Electronics Engineering
Puducherry
6.88 % (up to 6th sem)

Karaikal Polytechnic College, Karaikal (2022- 2023)
Diploma - Electrical and Electronics Engineering
Karaikal
69%

St. Mary's Higher Secondary School (2020 - 2021)
Karaikal
Higher Secondary (HSC)
59%

St. Mary's Higher Secondary School (2018 - 2019)
Karaikal
SSLC
42%

Projects

Efficient EV Charging System Using Bridge-less Cuk Converter with Power Factor Correction
An EV charger using a bridgeless Cuk converter charges the battery efficiently with improved power factor

Internship certificate

Karaikal Polytechnic College, Karaikal has completed the Internship Training at 230 KV/110KV Karaikal Auto S.S and 110KV/11 KV Surakudy S.S Electricity Department Karaikal (2022)
This certificate confirms that you completed internship training at the Electricity Department, Government of Puducherry. It shows you successfully finished practical training at the 110 kV/11 kV substation in Karaikal

Certificate of Virtual Internship (2025)
This certificate shows that you completed a 10-week Virtual Internship in Embedded System Development supported by Microchip. It confirms your successful participation through AICTE- Edu Skills

NPTL Certificate

National programme On Technology Enhanced Learning (NPTL)

Introduction To Internet Of Things

Industrial Safety Engineering
