- English
- Tamil

CAREER OBJECTIVE:

I possess a solid background in electrical design and extensive experience with various design software tools. My work across onshore and offshore Oil & Gas, Refinery projects, along with exposure to the EPC sector at reputable organizations, highlights a diverse and valuable skill set. This experience positions me as a strong candidate for roles focused on engineering and design deliverables.

Skilled Electrical Designer with over 5+ years of practical experience using design tools like AVEVA PDMS, AVEVA E3D, AutoCAD, and MicroStation for electrical design in the EPC sector. Demonstrated success in onshore and offshore Oil & Gas, and Refinery projects with esteemed organizations.

KEY COMPETENCIES:

Successfully emphasizes contributions and strengths in providing high-quality design solutions within renowned organizations. Expertise in AVEVA PDMS, AVEVA E3D, MicroStation, and AutoCAD reflects strong technical skills and the capability to apply industry-standard software to fulfill project demands.

I am currently pursuing challenging roles in the EPC sector, with a particular focus on Electrical Design for Offshore and Onshore Oil & Gas projects

Thank you for considering my application. I am enthusiastic about the opportunity to discuss how my skills and aspirations align with the goals of your organization.

EDUCATION

BE Electrical and Electronic

Annamalai University, Chidambaram.

2009 - 2013

Achievement : Scored 64.25 Percent.

PROFESSIONAL EXPERIENCE SUMMARY:

Hiring Company: AtkinsRéalis (WS Atkins India Pvt Ltd) Bengaluru
Project : Iter Nuclear project
Client : Engage-France
Experience: March 2023 - Aug 2025
Designation : Electrical Designer

Hiring Company: Kent Global Engineering Centre, Mumbai
Project: Dukhan Production Facility Upgrade (DPFU)
Client : Qatar Petroleum
Project: FEED FOR HALIBA PHASE II PROJECT
Client : Al Dhafra Petroleum Operations Co. Ltd. (Al Dhafra)
Experience: June 2020 to February 2023
Designation : Electrical Designer

Hiring Company: ECOS (India) Mobility & Hospitality Pvt Ltd
Designation : FLEET MANAGEMENT
Experience : August 2018 to June 2020

Hiring Company: Jetfleet Private Limited – Chennai -
Designation : Executive Operations Admin Transport
Experience : Feb 2016 - Aug 2018

DESIGN DUTIES & ACCOUNTABILITIES:

Modeled 3D Equipment using PDMS & E3D.
Prepared Junction Box, Panel using PDMS & E3D.
Prepared Power Cable Routing Layouts.
Prepared Lighting Layouts.
Designed cable trays and prepared cable tray schedules.
Modeled the "Cable Trays" Lighting Fixtures" using PDMS & E3d.
Preparation of Layouts: Equipment, Grounding, Cable routing, Lightning & trays.
Prepared Single Line Diagram.
Prepared Equipment Layout Drawing.
Prepared & Drafted of Electrical Cable Tray Layouts by using AutoCAD.
Prepared & Drafted Electrical Power Layouts.
Creating comprehensive reports and drawings from E3D, including MTOs and layout plans.
Electrical control cable tray layouts, cable schedules.
Preparation of Layouts: Equipment, Lighting, Grounding, Cable routing, Lightning & trays
Extraction of 2D drawings, Cable trays in PDMS & E3d using Draft module
Drafting and Updating Clients mark-ups & Comments.
isometric drawings with As-Built redlines based on incorporating typical details into the drawings.
Engaging with E3D to visualize and convey design intentions and modifications
Identifying and rectifying clashes in E3D, along with conducting model Review assessments in Navisworks

DECLARATION:

I am dedicated to collaboration, hard work, and honesty. I am confident that the information in my attached resume meets your expectations, and I am eager for the chance to showcase my abilities.
