ADDRESS:

479/B, KUYAVAR STREET

CHENNAI SALAI,

L N PURAM(POST), PANRUTI (TK),

CUDDALORE (DIST). INDIA. 607106.

PROFILE SUMMARY:

I am a dedicated Mechanical Engineering Diploma student with practical Experienced in Mechanical Maintenance & Production Engineer with 11 years of experience. My expertise lies in troubleshooting, diagnosing, repairing, and efficient operation of production machinery, and enhancing team performance. Skilled in track record of increasing efficiency and reducing downtime through proactive maintenance strategies and effective problem-solving. I am skilled in implementing cost-saving initiatives and am dedicated to maintaining safety standards within the manufacturing and maintenance sector.

PROFESSIONAL EXPERIENCE:

Industry Name: INZI CONTROLS INDIA LIMITED, SRIPERUMBUDUR, KANCHIPURAM
DIST. From: 08.10.2025 to Current

Experience : 1 MONTH

Designation : Sr-Engineer

Department : Maintenance.

Mechanical maintenance for injection molding, assembly and Production machinery, Documentation, Machine Critical spares order place & Maintain minimum inventory, Breakdown, Preventive, Predictive and Proactive maintenance, Problem resolving, Breakdown analysis for why-why methods, MTTR, MTBF and TPM.

Industry Name: MRF Vapocure Paints Ltd, ANAMBAKKAM VILLAGE, KANCHIPURAM
DIST. From: 11.03.2020 to 10.10.2025

Experience : 5 Years 7 Months

Designation : Assistant (AA)

Department : Maintenance and Project

ROLES & RESPONSIBILITY OF MAINTENANCE:-

Leading Maintenance and Project activities, ensuring safety and efficiency.

- Monitoring inventory level of spare parts and equipment, ensuring availability for maintenance and repairs.
- Maintaining accurate records of maintenance activities, including work orders, repairs, and equipment history.
- Proven track record of increasing efficiency and reducing downtime through proactive maintenance strategies and effective problem-solving.
- Coordinating and scheduling maintenance activities, ensuring timely completion of tasks.
- Conducting regular inspections of equipment, machinery, and facilities to identify maintenance needs.
- Expertise in preventative maintenance & Predictive maintenance techniques, root cause analysis, and implementing cost-saving initiatives.
- Proven ability to manage maintenance budgets.
- Assisting the Maintenance Manager in overseeing the maintenance operations of the company.
- Dedication to quality workman ship and attention to accuracy and details.
- Managing and supervising a team of maintenance technicians, providing guidance and support as needed.
- Collaborating with other departments to prioritize maintenance tasks and minimize disruptions to operations.
- Maintenance of Utility DG, Like Pumps, compressors, Cooling towers, STP and ETP.
- Upgrade areas with new equipment /technology, work with outside contractors working on assigned line.

ROLES & RESPONSIBILITY OF PROJECT:-

- Managed Greenfield Project at MRF, involved in various machinery installations.
- Preparation of Mechanical BOQ for the project.
- Mobilization of Machinery, Material, Site engineers and contractors before commencing of site activities.
- Oversaw day-to-day project execution, ensuring quality standards were met.
- Learn manufacturing techniques to make spare materials for emergency purposes handling the engineering change management for new projects.
- Preparation of Machine Release Check sheet after completion of the project.

Industry Name: MS GLOBAL INDIA PVT LTD & SAMVARDHANA MOTHERSON PVT LTD, ORANGADAM, KANCHIPURAM DIST. From: 19.03.2018 to 10.03.2020.

Experience : 2 Year

Designation : Assistant Engineer

Department : Production- 5000 Ton press

ROLES & RESPONSIBILITY OF PRODUCTION:-

Focused on production management for pressed sheet metal and frames for It makes pressed sheet metal and frames vehicles.

- Strong background in the manufacturing industry. Skilled in maintaining and improving the reliability of production machinery and optimizing equipment performance.
- Utilizing the Machine and Manpower in efficiency way.
- Make sure entire production is working as per Standard norms.
- Ensure timely and optimum material availability for the plant.
- Proven ability to reduce downtime and increase production efficiency.
- Take corrective action to avoid online product rejection and machine breakdown.
- Dynamic and results-oriented Production in driving continuous improvement initiatives.
- Skilled in identifying bottlenecks and implementing corrective actions to ensure product quality.
- Reporting online rejections on daily basis and supplier rejection on weekly basis.
- Proven ability to lead teams, implement lean manufacturing principles, and achieve significant cost reductions.
- Responsible for skill building manpower Planning.
- Ability to Modification and run program to support in new part prove sufficient output.
- Follow established safety rules, regulation then maintain a safe and clean workspace.
- Responsible for adherence and improvement in effectiveness of QMS in respective departments.

Industry Name: MUSANDAM OVERSEAS SERVICES&TRADING LLC, MUSCAT, OMAN.
From: 25.05.2016 to 04.07.2017

Experience : 1 Year 2 months

Designation : Store In-charge & Sales Executive

- Handled sales and inventory management.
- Oversaw store operations and sales, enhancing efficiency and customer service.
- Manage inventory and facilitated orders based on demand.

Industry Name: POCLAIN HYDRAULICS PVT LTD, THIRUVANDARKOVIL, PONDICHERRY.
From: 06.05.2013 to 05.05.2014

Experience : 1 Year

Department : Production- HMC Machining

Designation : Diploma trainee.

- I participated in manufacturing hydraulic motors.
- Assisted in production processes for hydraulic motor components
- Developed skills in machine and quality controls.
- It's made hydraulics motor production for JCB, Hydra and all lifting vehicles. .

Industry Name: RANE MADRAS PVT LTD, THIRUBUVANAI, PONDICHERRY. From
04.09.2011 to 31.12.2012

Experience : 1 Year 4 Months

Department : Production -CNC Machining

Designation : Apprenticeship-act 1961

- Involved in CNC machining for automotive components.
- Operated CNC machinery to produce steering components for rack and pinion type Mechanism.
- Engaged in quality checks and machinery maintenance.
- Ability to read and understand customer drawings & their constituents, standard notes, and sop, carry out production, inspection and machine operation duties.

KEY ACHIEVEMENTS:

- Developed and implemented maintenance strategies, that enhanced team performance and reduced downtime significantly.

STRENGTHS:

- Lean manufacturing Implementation – Skilled implementing lean manufacturing principles to drive cost reductions.
- Possess Expertise in Preventative, Proactive and Predictive maintenance techniques, root cause analysis, and implementing cost-saving initiatives.

KAIZEN & IMPROVEMENTS

- Low Pressure Alarm setting for Nitrogen Line.
- Pump dry run & interlock with fan Alarm setting for Cooling Tower.
- Imported Spares Measure & Hand Drawing for localized Purpose.
- Implementation for Filling line some additives added to Automation work.
- Air study taken and reduced air consumption.
- Implementation to Oil wiper in sheet metal work to reduce Oil consumption.
- CNC and HMC New Product Correct to similar old program Then reduce the Setting Time.

EDUCATIONAL QUALIFICATION:

- Diploma in Mechanical Engineering from 2009 to 2011, Annai Velankanni Polytechnic college, ANGUCHETTYPALAYAM, PANRUTI - **91.25%**
- HSC - 2009 in Government boy's higher secondary school, PUDHUPETTAI, PARNUTI – **66.75%**
- SSLC - 2007 in Government high school, POONGUNAM, PANRUTI – **64.6%**

SKILLS DEVELOPED: -

- MTTR&MTBF.
- Kaizen, TPM, QMS, 5S Activities.
- SAP, Microsoft suite.
- Diagnosing Faults and Decision Making.
- Planning and undertaking scheduled maintenance.
- Creating Maintenance Procedures.
- Ensuring compliance with health and safety legislation.
- Utilizing available resources.
- Managing budgets.
- Supervising Engineering and technical staff.
- Auto CAD & Pro-E
- Driving License HMV

PERSONAL DETIALS:

Name : P. VIJAY
Father's name : K. PACHAIYAPPAN
Date of birth : 30-07-1992
Gender : Male
Nationality : Indian
Language known : Tamil, English and Speak Hindi.

DECLARATION:

I do hereby declare that the above information given in this form are true to the best of my Knowledge and True.
