

SIVANAN N

CHEMICAL ENGINEER

Puducherry

+91 7548860122

sivanan493@gmail.com

SKILLS

JAVA

- well know in java basics
- Good in OOPS
- Good in Arrays, String,Exception Handling

SQL

- Good understanding in Functions
- Strong in writing Query's
- well known in Joins

EDUCATION

BACHELOR'S DEGREE

Puducherry technological University
(2019 – 2023)
CGPA – 6.9

TAS ENGLISH HR.SEC.SCHOOL

Higher secondary certificate
Score – 60%

Secondary school leaving
certificate score – 90%

AREA OF INTREST

- Chemical Process Industries
- Food Technology
- Pharmaceuticals
- Waste Water treatment

LANGUAGES

- TAMIL
- ENGLISH

CAREER OBJECTS

As a Chemical Engineering and Entrepreneur student, I'm eager to use my academic knowledge and practical expertise to promote innovation and efficiency. I'm excited about being engaged in projects that not only push me to improve but also allow me to make a genuine, beneficial influence.

PIVOTAL CERTIFICATIONS

- Introduction to Cognitive Psychology (53%) – NPTEL
- Wildlife Ecology (69%) -NPTEL
- Java Full stack Development Qspiders Institute, vadapalani

SOFTSKILLS

- Initiative Driven
- Critical Thinking
- Adaptability
- Leadership

TOOLS

- Eclipse IDE
- Editplus
- SQL plus

PROJECTS

Studies on extraction of VOCs – Identification and extraction of VOCs present in plant Parts of weed PROSOPIS JULIFLORA. Using ethanol As a solvent we identified VOCs from stem , leaves and leagume from the plant . Propoxy-pentyl Cyclopropane is the major compound we have Identified.

KEY STRENGTHS

- Key Strengths Strong analytical and problem-solving skills
- Basic Knowledge about line sizing, pump Hydraulic and distillation.
- Heat and Mass Balance calculation

EXPERIENCE

TRAINEE (DM PLANT OPERATIONS DEPARTMENT)-ZION ENVIRO SYSTEMS SITE AT CETEX PETROCHEMICALS

Aug2024-Till now

- Responsible for planning, creating work permits & follow-up of shift activities
- Ensure smooth run of plants without process safety deviations, hazards and incidents.
- Monitoring DCS parameters, trends & identifying deviations if any & taking corrective actions.
- Experience with batch reactors, heat exchangers, condensers, distillation column, multiple effect and wiped film evaporators, filters such as schenk and cricket filters, Dense Phase conveyors, Scrubber, ,Tank Farm, Blend kettles, ETP & RO and in utilities like Cooling towers, Boilers, Thermic fluid Heater, Air compressor, Drier, Nitrogen PSA units process improvements
