OBJECTIVE

"Detail-oriented Electrical Engineering graduate with hands-on experience in circuit design and power systems through academic projects and internships. Seeking an entry-level position to contribute technical knowledge and problem-solving skills in developing innovative electrical solutions that meet industry standards."

SKILLS

1. Good knowledge in Basics of Electrical equipments.

2. Microsoft Excel, Microsoft word and Microsoft Powerpoint

3. Matlab design, Matlab simulink, Matlab simulation.

4. Basics of Autocad

5. Basics of Python

EXPERIENCE

10/10/2024 - 10/10/2025
Diploma Apprentice

Tamil Nadu Power Distribution and Corporation Limited

Working as Diploma Apprentice in TNPDC and Assisted in Maintenance work in Sub station such as Power Transformer maintenance, Breaker Maintenance and Battery Maintenance, etc. Taking Hourly Reading from the Meter and Maintain Registers.

PROJECTS

Obstacles avoiding Robotic vehicle.

It is used as a automatic vehicles for the people.
To navigate autonomously from one point to another by detecting and avoiding collisions with obstacles

Dual axis Solar PV tracking system

It is used in dual axis of Solar PV system.
It is used to Improve Power Efficiency.

ENHANCEMENT OF POWER QUALITY AT DISTRIBUTION SYSTEM USING IOT BASED QZSI

To enhance power quality, grid stability, and system performance.
To reduce Total Harmonic Distortion (THD).
To monitor parameters such as solar irradiance, and grid conditions.

EDUCATION

Degree / Course	University / Board	Percentage / CGPA	Year of passing
SSLC	KANNAN Matriculation Higher secondary school	89%	2017
Diploma in Electrical and Electronics Engineering	Srinivasa Subbarayaa Government Polytechnic College	76%	2020
Bachelor's of Engineering	SRM TRP Engineering College	82.50%	2024

ADDITIONAL PERSONAL INFO

Languages English and Tamil

CERTIFICATIONS

- Certified for successfully Presented a paper titled "Global Electricity Interconnectionwith Complete Renewable Energy Generation" in the DST-SERB Sponsored 1stInternational Conference on "Emerging Trends in Electric Vehicles and SmartTechnologies(ICETEVST-22)" at SRM TRP Engineering College.
- Certified for successfully completed the workshop Training at Srinivasa Subbaraya Govt.Polytechnic College, Puthur and passes in the prescribed trade test in the trade of "Testing of Electronic Devices in Hardware.

ACHIEVEMENTS

- Won 1st Place in the Game Cricket in the Intramural Sports Events held at SRM TRP Engineering College, Tiruchirapalli.
- Won a 1st place in the game Cricket in the Annual Sports meet held at Srinivasa Subbaraya Govt Polytechnic College, puttur.
- Won 2nd Price in the "PROJECT DAY 2022" competition, conducted by SRM Group of Institutions, Tiruchirapalli.
- Won a 3rd place in Anna university Zone-14 'CRICKET 'match in 2022.
- Won a 2nd place in the game Kabaddi in the intramural Sports Event held at SRM TRP Engineering College, Tiruchirapalli .

DECLARATION & SIGN

"I hereby declare that all the information provided in this resume is true and correct to the best of my knowledge and belief".
