• Career Objective

Motivated and enthusiastic fresher aiming to begin a career in a dynamic and growth-oriented organization. Seeking to apply academic knowledge and interpersonal skills to contribute effectively to team goals. Eager to learn, adapt, and grow professionally while taking on challenging responsibilities.

• Education

Bachelor of Technology (Electrical and Electronics Engineering) – NRI Institute of Technology | CGPA: 8.5/10

Intermediate (MPC) – Sri Chaitanya Junior College | CGPA: 9.5/10

Secondary School (SSC) – Swarna Bharathi High School | CGPA: 9.5/10

• Technical Skills

Digital Electronics, Micro processor and Microcontrollers, Control Systems, Renewable Energy Programming Languages : Python, Java, C, MySQL

Tools: MS Excel, Google Sheets, Google Docs

Computational Analysis, Data Structuring

• Soft Skills

Analytical Thinking

Resilience

Conflict Resolution

Prioritization

Empathy

• Projects

IoT-Based Railway Track Crack Alert System – Designed a sensor-based IoT module with microcontrollers to detect cracks in railway tracks and alert authorities in real time.

Vehicle-to-Vehicle Communication for Safety Alerts – Implemented RF transceivers, antennas, and microcontrollers to enable real-time vehicle communication for collision avoidance and traffic safety.

• Internships

Dr. Narla Tatarao Thermal Power Station – Gained expertise in power plant operations.

Internship in VLSI – Enhanced knowledge of chip design and semiconductor technologies.

Business Development Executive, TATA STRIVE – Acquired business development and client relationship skills.

• **Certifications**

Java Programming
C Programming
Python Programming
Cloud Computing (NPTEL)
VTPS Training Certificate

• **Achievements**

Secured 1st place in Poster Presentation at National Tech Fest 2023
Published research paper in a top-tier journal with high impact factor
Winner of Quiz Competition and Elocution Contest

• **Co-Curricular Activities**

Class Representative during graduation
Validator for workshops
Athletic Team Leader
Participated in environmental initiatives such as tree plantation drives
