CARRIER OBJECTIVE

To be a part of a growing and dynamic organization that offers a challenging career that helps to maximize my exposure and improve my professional skills while contributing to the progress of the organization.

EDUCATION

- **B.TECH** Electrical and Electronics Engineering
CGPA: 6.78/10 (up to 8th semester)
Sri Manakula Vinayagar Engineering College. (November 2021- May 2025)
- **HSC** Percentage: 76.6%
Seventh Day Adventist Higher Secondary School (June 2020- May 2021)
- **SSLC** Percentage: 64.4%
Seventh Day Adventist Higher Secondary School (June 2018- May 2019)

PROJECT

- **TITLE** **IoT integrated Sericulture Assistant and Automatic Food Feeder.**

Implement an IoT-based system to automate and optimize temperature, humidity, and light conditions, ensuring consistent and ideal growth environments for silkworms. Reduce manual labour and improve efficiency by automating feeding and monitoring processes, increased silk yield.

MINI PROJECT

- **TITLE** **Mobile charger using wind energy**

A mobile charger powered by wind energy harnesses the kinetic energy from wind to generate electricity, which is then used to charge mobile devices.

- **TITLE Home automation using IoT**

Home automation using IoT enables the remote control and automation of household devices and systems through internet-connected devices, enhancing convenience and energy and efficiency.

INTERNSHIP

- Completed virtual internship on “**Robotic Process Automation**” (AICTE, EduSkills) during December 2022- February 2023.
- Completed virtual internship on “**Microchip Embedded System Developer**” (AICTE, EduSkills) during May 2023- July 2023.
- Completed virtual internship on “**JAVA Programming**” (CodSoft) during November 2023- December 2023.

AREA OF INTEREST

- Java
- Electronics
- Transformers
- Induction motors

ACHIEVEMENTS

- Won **First Prize** in “**Circuit Design Contest**” conducted by Ediyilabs in February 2023.

CERTIFICATES

- Participated in Paper presentation conducted by Puducherry Technological University in October 2023.
- Completed JAVA for beginners course conducted by Infosys Springboard on July 2024.

SKILLS

- Excel and Power BI
- HTML and CSS (Basics)
- Software skills known: Working knowledge in Eclipse , Visual Studio Code

PERSONAL TRAITS

- Punctuality
- Leadership
- Management Skills
