

OBJECTIVE

To start my career in the field of Electrical and Electronics Engineering where I can apply my technical knowledge, learn new skills, and contribute to the growth of the organization.

LANGUAGES

- Tamil
- English

CONTACT

- naveenlingamk3075@gmail.com
- +91 93447 54027
- Tamilnadu, India

EDUCATION

University College of Engineering, Ariyalur

Bachelor of Engineering in Electrical and Electronics Engineering
CGPA: 7.58
At 2021-2025 in Ariyalur

SKILLS

- Embedded system & Microcontroller
- IOT (Internet of things)
- Basic of industrial automation
- Electrical machines

NAVEENLINGAM K

GRADUATE

PROJECTS

- Real Time Water Quality Monitoring and Management for Overhead Water Tanks using Lora Communication.
- Home Automation for IoT using ESP32 and Arduino Microcontroller.

TECHNICAL SKILLS

- **Industries Automations** – Basic of Knowledge and Programming
- **Embedded Systems & IoT** – Working with microcontrollers like Arduino and ESP32
- **Programming** – Learning languages like C, C++, and Python for hardware interaction
- **Electrical Machines** – Maintenance & Troubleshooting
- **Simulation & Tools** – Matlab, Proteus, PSIM and Catia

WORKSHOP & EVENTS

- Workshop on “Hands on training on industrial automation in PLC” in SRM TRP Engineering college (TRICHY).
- Workshop on “Harvesting lowcost renewable energy using modern controller based on soft computing techniques” in Dhanalakshmi Srinivasan engineering college (PERAMBALUR).
- Workshop on “Embedded systems architecture and ARM processor-hands-on” in Vellore institute of technology (VELLORE).

DECLARATION

I hereby declare that all the information provided above is true and correct to the best of my knowledge. I am prepared to provide any further information if required.
